

PRE-REGISTRATION PACKAGE

It's our 10th Anniversary! We can't wait to celebrate and dance with you in 2022 & 2023!

Pre-Registration:

Our 2022/2023 tentative schedule is now available and pre-registration is now open!

We highly recommend you pre-register in order to secure spots in classes. Pre-registration also allows us to plan on how to make necessary adjustments to the schedule and add classes in the event that some become full. Classes are currently limited to 10 students. You have 2 options for pre-registration and securing spots in classes;

Option 1: Payment of the annual administration fee + a \$20.00 deposit per class. (No deposit is required for competitive rehearsals). This option is not eligible for early bird discounts

Option 2: Early payment of instructional fees for either Term or Full season classes whereby you save 15%, 10% or 5% OFF whatever amounts are paid before the designated deadlines. ****(Please note that administration fees and competitive rehearsal fees are not eligible for early bird discounts.)**

To pre-register with Option 1, please submit the registration form online with payment for the administration fee and class deposits.

To pre-register with Option 2, please submit the registration form online and indicate if you will be paying for a Term or Full Season and we will send you an invoice with your discounted total for fees based on the information you provide on your registration form.

Competitive Programming:

Our competitive groups no longer have a dedicated 45 minute-1 hour class as of last season. Instead competitive dancers must enroll in required recreational classes and competitive group choreography will now be completed during weekly 15-30 minutes sessions that, for the most part, immediately follow the corresponding recreational class. Enrollment in competitive groups will incur a seasonal charge per group routine rehearsals and in addition each group will have 6 longer rehearsals scheduled once a month between October to March to aid in the completion and cleaning of routines. These once a month rehearsals will predominantly occur on or close to the last Friday or Sunday of the month with the exception of rehearsals in December, where they will be scheduled during the week before the holiday. We have made these changes to our programming primarily to allow our competitive dancers the necessary time to focus on technique and skill building within their core dance classes. We hope this will help improve dancer ability and performance and enable more flexibility in placing students in different groupings without disrupting core dance training. In addition, these changes allow us to open up our schedule to allow more recreational classes in the age groups and styles that were exclusively competitive in years prior and new age groups of younger dancers can now try the competition experience. If you have any question please do not hesitate to contact the office at anytime by telephone or email at arcadedancearts@gmail.com

****Competitive Team rehearsal rates are NOT eligible for early bird discounts, unless they are inclusive as a result of enrollment in the UNLIMITED PACKAGE.**

Rehearsal rates will be calculated once the schedule has been finalized in August. Rates are per group and includes weekly 15 or 30 minute rehearsals and 6 additional monthly rehearsals. Competitive routines are also subject to additional fees for entry into competitions, which will be billed by November 1st 2022. Additional costume fees may apply.

**All fees include HST in the price. A one time annual administration fee of \$25 per dancer or \$40 per family applies and is not eligible for early bird discounts. Classes are calculated beginning with the classes that are the longest and working downwards through the pricing tier for each additional class. If the total for one dancer reaches that of the UNLIMITED PRICING then all additional classes for that one dancer thereafter are free of charge. Families with multiple dancers can use the tiered pricing
